The Narayana of Cooroor in the
 Arthalgid Talook having applied for a
 rent-in-aid under the provisions of the
 Chief Commissioner's Circular No. 4 dated
 3rd October 1874, on account of the repairs
 of the temple of Narasimhaswami at
 Cooroor, Captain Cumming by his letter
 No. 714 dated 10th November 1874, requested
 sanction for the payment of the money as
 Narayana had already contributed a
 moiety (Rs 807.8.0) of the estimated cost
 (Rs. 1615) in cash and materials. As it how-
 ever appeared from the correspondence that
 service was not carried on in the temple
 proposed to be repaired, the Deputy Commr.
 was requested to reconsider the matter with
 reference to the Circular order alluded to,
 and to submit an estimate of the proposals
 of repairs had any connection with the
 temple in which service was regularly per-
 formed. Captain Cumming accordingly sub-
 mitted the estimate simply referring, this

6
this office to crime, correspondence and the
subject is. When it is stated, that the
temple proposed to be restored falls under
the provisions of the Chief Commissioner's
Circular - The estimate was therefore returned
and the attention of the Deputy Commissioner
was called to a Shajjal connected with
the case from which it appeared that it was
contemplated to extend the building to more
than its original dimensions, which could
not, of course, be approved of, as it was not
the intention of the Local Government
to grant grants-in-aid for the erection or
extension of such buildings - Captain
Stuart now re-submits the estimate for
sanction, together with the Moogyee Officer's
letter No 10 dated 22nd April and a
petition from Varasimha Rao from which
it appears that the Shajjal above alluded
to was a misrepresentation, the deposition
of the other inhabitants of Prooroor,
showing that the work really falls under
the provisions of the Chief Commissioner's
Circular.

It will thus be seen that

that both Captains Cumming & Shaw
are in favor of a grant-in-aid.

Prozaro Office,

Japan Dated 13th Jan'y. 1877.

To,

The Dy Commissioner,
Japan D.

Sir,

With references to past correspondences on the subject of restoration of the Gorne temple, I have the honor to report that the temple which is to be restored is in the village of Gorne and is in a ruined state; owing to which circumstance, the idol is no longer kept there, but removed to a different building altogether, where religious service to the idol is regularly performed. The dilapidated temple which Harsimbu Chany wants to restore is just now deserted and there is no service held here.

The restoration is not simply reconstruction and repairs to the size and extent of the former building, but comprehends considerable extension, as might be seen from the rough sketch enclosed, where the red thick lines denote the line of new walls, and the black

black thick lines, the line of the old walls. The Canarese papers would show that Harsimha Chari tried hard to prove that there were old walls where the red lines run; I am not quite satisfied with the evidence on this point. The size of the oblong room within the black lines is $17\frac{3}{4}$ feet East to West, and $7\frac{3}{4}$ feet North to South.

The Amil's report No. 24 of June 5th 1876, enclosed, will show the size of the room where service is at present held before the deity.

I would add that little more than half the estimate amount is deposited by Harsimha Chari, that is in the shape of stones &c., and it will be a sad disappointment after all this delay and correspondence, to refuse sanction and compliance to the prayer of Harsimha Chari.

The Dy. Commr., Mysore Dt.

Sir,

With reference to your docket No. 1122 of the 25th January last, I have the honor to state that the temple for the repair of which grant in aid was solicited in this Office No. 60 of the 12th January 1877, enjoys no separate allowance.

In every Hindu temple there are two idols, one a fixture and another moveable, the latter is decked with jewels and perambulated in the streets after the oriental fashion, and the temple in which service is performed being out of the village, the place was considered insecure and another one built in the village to secure the portable idol and jewels to be carried from time to time to the building outside the village, and this is the building alluded to in the correspondence above referred to.

ABSTRACT.

States that relying on the promise of Major Will, he produced & obtained ^{7 years ago} Govt certificate for 800 and odd rupees being half the amount required for the up-keep of a temple having Govt Tasterk. All the officers that were for the last 7 years in charge of the Distt recom-
-mended the necessity of repairing the temple. Major Clarke as Secretary addressed a letter asking if the estimate could be reduced and thereby implying a wish to accord sanction thereto. Some two years ago a reply was sent, yet no orders have been received on the subject.

When Petr represented his
 grievances to Major Will
 a reminder was sent to the
 Secretary's Office; in reply to
 which it was stated that it
 was improper that the Taseek
 was not recommended to be
 disallowed seeing that the
 Dewastom which needed repairs
 was not repaired for a long time;
 and it was asked why recom-
 - mendation for the disallowance
 of the Taseek amount should not
 be made. The Taseek was intended
 for the Mooladevaru (God which is
 fixed in the innermost part of the temple
 as distinguished from that which is
 outside & which is used for processions &c);
 & if that part of the temple which is
 generally occupied by the latter god
 is in need of repairs, the taseek
 amount is utilized for the purpose
 consequently the Taseek cannot be
 disallowed. Another letter has been
 submitted to the Secretary's Office stating
 that the temple should be repaired -
 Petr has paid interest on 200 Rs to the extent
 of the principal itself; so he has incurred a
 loss of nearly Rs 1600. Keep therefore
 that sanction may be accorded to the
 repairs^{of} the temple so that his life may
 be sustained thereby for a time.

Sir

Agreeably to the Chief Commr's
Proceedings No 488 of the 12th May last
received with your Order No 243 of the
21st May last on the Subject of reconstructing
a temple of Mursinika swamy at Gornier
in the Arhulgad Taluk I have the honor
to state that I had up before me some
leading persons of the Village who are interested
in the temple and consulted them. They have
no objection to the appropriation of any
portion of the temple fund for the purpose,
but on the contrary would appreciate
the benefit of the reconstruction—

2 The Surplus fund and Kasa Head
provision of the temple amounts to Rs
1081-1- and Rs 35-5- and in course of recovery
and will be credited to the same head
when realized—

3 The estimated cost of reconstruction
is Rs 1167-¹¹/₂—¹¹/₂—¹¹/₂. The petitioner Mursinika X
Chani has already deposited one half
of the amount, some in cash and some
in Madaniab Viz Stons Ru and the
other half Viz Rs 733-8-¹¹/₂ has to be met
from Government

4 Under these circumstances I would
request that you will be good enough

to obtain the Chief Commissioner's early
sanction for the disbursement of
the above sum, as I fear that in case
of its being delayed any longer the
cost of the work would be enhanced over
the amount of estimate formerly sub-
mitted with the Canaan proceedings which
have not been yet returned.

Hassau District,
Deputy Commissioner's Office,
Dated Stapau. 18th November 1879.

To,

The Secretary to the
Chief Commissioner of Mysore
Revenue Department.

Sir,

With reference to the proceedings of
the Chief Commissioner No. $\frac{30242-3}{Rs\ 400}$ dated 12th
September 1879, sanctioning the appropriation
of one half of the Surplus Funds for the recon-
struction of the Narasimhaswamy's Temple
of Gorur in the Arkalgud Taluk, I have the
honor to state that the amount at the credit
of the temple under reference up to the end
of August last was only Rs. 985-10-11,* as
shown in the margin, and by allotment
of a moiety of the Surplus Fund it will not
cover fully half the amount, for which sanc-
tion was asked for in previous correspondence,
viz. Rs. 733-8-0, and I therefore request that
you will be good enough to obtain the sanction
of the Chief Commissioner for the expenditure
of the whole of the Surplus Fund above shown,
and the appropriation of Rs. 51-1-9 out of
the Hoshead to make up the amount.

The sanction conveyed in the
above proceedings evidently contemplates

* Surplus Rs. 682-6-3.
Hoshead Rs. 303-4-8.
Total Rs. 985-10-11.

Rs. 1436-1-0 at the credit of the temple,
including the amount under the Hosahead
and Rs. 355-0-0 yet to be recovered, as
reported upon by the Moogoi Officer
in letter No 33 of the 18th August last, but
since then Rs. 95-6-1 out of the Hosahead
have been spent, and as by being made
to depend upon the recovery of outstanding
the work might be delayed, I solicit
fresh sanction as above.

The English translation of the re-
vised estimate originally received is
herewith submitted, as ordered in the above.

I have the honor to be,

Sir,
